Objectives	**Objectives**	**Objectives**
• We will use data to guide our collaborative conversations, instruction, and intervention.	• Actions speak louder than words, living out our core values and modeling strong character to students is the foundation for a safe school experience.	• On-going teacher feedback and coaching will be provided to increase student engagement.
Critical Initiatives	**Critical Initiatives**	**Critical Initiatives**
• Teachers will document the PLT/SST process in a clear and organized method, ensuring our Tier 2 and 3 interventions are clear and monitored.	• All teachers and students will collaboratively establish action statements for our core values, and examples of living out core values in our school and community. • Each grade level will participate in a passion project that revolces around one of our school core values.	• The ELEOT will be administered regularly for teachers throughout the year with follow-up conversations, providing feedback and understanding of success criteria, celebration, & steps for improvement. • Teachers will participate in Instructional rounds both inside and outside of the school building. Regular reflection on our practice
